## **MICROFLUIDICS APPOINTS VICE PRESIDENT OF MARKETING AND SALES**

Newton, Mass. - Microfluidics, a wholly owned subsidiary of MFIC Corporation, is pleased to announce the appointment of Thomas Hoarty as Vice President of Marketing and Sales.

Hoarty brings to Microfluidics more than twenty years experience in the marketing and sales of capital equipment. He has a wealth of experience in both domestic and international sales, including the management of worldwide sales networks. Hoarty has also managed factory direct sales personnel along with independent reps, dealers and distributors.

Hoarty is a native New Englander and a graduate of Providence College. He resides in Burlington, Massachusetts with his wife and four children.

### **About Microfluidics**

Microfluidics, a wholly owned subsidiary of MFIC Corporation, provides patented and proprietary high performance Microfluidizer® materials processing equipment to the biotechnology, pharmaceutical, chemical, cosmetics/personal care and food industries. Microfluidics applies its nearly 20 years of high pressure processing experience to produce the most uniform and smallest liquid and suspended solid structures available, and has provided manufacturing systems for nanoparticle products for more than 15 years.

The Company is a leader in advanced materials processing equipment for laboratory, pilot scale and manufacturing applications, offering innovative technology and comprehensive solutions for nanoparticles and other materials processing and production. More than 3,000 systems are in use and afford significant competitive and economic advantages to Microfluidics equipment customers.
